

Restored Hearts

Seeds of Hope: If your past includes sexual abuse that continues to creep into present life and relationships, there is hope. This group for women is a safe place to explore the wounds of the past, and how to find freedom for the present.

In The Wildflowers: This 12-week DVD series focuses on people joining with others and with God to begin processing and healing the damage from past sexual abuse.*
*This series is by invitation only to those who have completed Seeds of Hope.

BLOOM: A group for Wildflowers alumni to continue their journey of thriving with Christ.
